Swedish Ice Scraper® for Volvo

"We laser cut our ice scrapers from thick, solid Acrylic Glass and use diamond polishing to sharpen the scraping edges"

- Our famous and characteristic asymmetrical design provides an effective plow effect and facilitates access to tight angles without destroying the rubber surroundings on car windows
- Ergonomic grip with warming hand holders in various materials
- Built-in windshield wiper cleaner

Read more about our philosophy on ice scrapers www.swedishicescraper.se

For Volvo Cars we have developed an unique version in 6 mm frosted Acrylic glass equipped with a hand warmer in pure wool and locking strap of "Swedish Blond" leather

This ice scraper is Made in Sweden and delivered in a gift box of recycled cardboard with a discreet Volvo logotype

Can be ordered in Volvo Cars Merchandise shop <http://www.collection.volvocars.com/>

Price Euro 37,70

Best Regards
Swedish Ice Scraper®
Performance in cold
