The biggest Mini we have made

Introducing “compact scraping power” from Swedish Ice Scraper®

Meet Mini3 - the newest and smallest member of the Swedish Ice Scraper family but with the same DNA
Tooled out from 6 mm thick, solid Acrylic Glass and all edges sharpened by diamond polishing for effective use on icy car windows
Clear frosted finish with sober lacquer print on backside

A smooth power tool for urbanites

Mini3 is easy to stash away thanks to its compact size (120x80 mm) but also quick to find again with the attached strap in natural leather

This robust strap can also be used during scraping, by keeping stretch with your free hand, to improve balance and add momentum when pulling backwards

Price 120 SEK incl leather strap

Swedish Ice Scraper® can be purchased at selective distributors, find list on www.swedishicescraper.se

Best Regards

Swedish Ice Scraper® *Performance in Cold*
